

## **ICISSP 2018**

**4th International Conference on Information Systems Security and Privacy**

**<http://www.icissp.org>**

To whom it may concern,

We are happy to inform that the paper submitted by Wenbo Wang, Yuqing Lan and Tianning Zang to ICISSP 2018 with number 8, entitled "The Rapid Extraction of Suspicious Traffic from Passive DNS", has been accepted as a Short Paper, to be presented January (22 - 24) at Funchal, Madeira, Portugal.

All papers accepted to ICISSP 2018 were peer reviewed by at least two experts from the international program committee, in a double-blind review process. The paper will be published in the conference proceedings with up to 8 pages, and after being presented at ICISSP 2018 it will be included in the SCITEPRESS Digital Library under a specific DOI to be specified after the proceedings are published, and submitted for indexation to Thomson Reuters Conference Proceedings Index, Engineering Index, DBLP, INSPEC and Scopus.

Best Regards,

A handwritten signature in blue ink, appearing to read "Olivier Camp".
